ULTIMO CREDIT PRIVATE LIMITED

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS

2.13 Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity share holders (after deducting preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of an equity share to the extent that they are entitled to participate in dividends related to a fully paid equity share during the reporting period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of or dilutive potential equity shares.

2.14 Cash and Cash Equivalents

Cash and cash equivalents in the cash flow statement comprise cash in hand and unrestricted cash at bank and short term Investments with an original maturity of three months or less.

2.15 Contingent Liability and Contingent Asset

Contingent liability is disclosed for (i) possible obligations which will be confirmed only by future not wholly within the control of the company or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent asset is not recognized in the financial statements since this may result in the recognition of income that may never be realized.

2.16 Segment Reportings

The Company primarily operates in the business of loan and accordingly no segment reporting is applicable.
